

Hi there! I'm back. Here I am. Did you miss me?  
I've missed you so much, I'm jumping with glee!

When Santa gave me my assignment this year,  
I was so excited to see your name, I cried happy tears.

Now that I'm back, do you remember the rules for each day?  
Be thankful, be kind and listen to what your parents say.

Try your best to share joy, light and laughter,  
Making great memories is what we're really after.

Go above and beyond at home and at school,  
Bring smiles to friends faces - that would be so cool!

I'll report back to Santa each night like last year,  
To tell him all your good deeds and to pet the reindeer.

I look forward to making this Christmas the best,  
If you do your part, Santa and I will take care of the rest!

Love,

*Your Elf*
